EXHIBIT HALL

Open daily from 9:00 am to 4:00 pm, the Nature Center Exhibit Hall offers a fun, interactive experience for all ages. Free.

TRAIL INTERPRETATION

You may encounter Wetlands Park staff as you explore the Nature Preserve. We can help with navigation and species identification. On Wednesdays, you might see a Phenology Phun station, a citizen science project to track birds and other species at different seasons.

VISITING THE PARK

Trails are open every day from dawn to dusk. Before you come, check the weather report for high temperatures or flash flood warnings. Wear sturdy walking shoes, a hat, sunscreen, and bug repellent.

Always bring water! Every member of your group should have at least one bottle of water- kids, too!

Hiking tip: Use your smartphone to find yourself on Google maps. Most providers have cell coverage throughout Wetlands Park.
